

Using the Website

At Home Bank, we're all about making things better. That's why we've launched our new website with a fresh look and easier navigation to better suit your banking needs. But don't worry, all of the information you need will still be there.

Basic FAQ information can be found at homebanksb.com/usingthewebsite

Signing in to Your Account

To sign in to your account, select the **Sign in** link at the top right of your screen.

Opening a New Account

Open a new account by selecting the red button in the top right of the homepage or the white button in the main navigation. Follow the instructions on the screen.

Main Navigation Menu

The main navigation menu is under the hamburger icon (three stacked lines) in the top right of the screen. Easily get to the information you need by selecting the topic you're looking for.

Support and Legal Information

Support and legal information can be found at the bottom of the website in the footer.

The screenshot displays the Home Bank website homepage. At the top left is the HomeBank logo. In the top right corner, there is a 'Sign in' link with a user icon and a hamburger menu icon, and a red 'Open an account' button. Below the header is a large hero banner with the text 'When a bank really understands your needs, you feel at home.' and two buttons: 'Learn more' and 'Open an account'. On the right side, a dark navigation menu is open, showing a search bar, an 'Open an account' button, and a list of categories: About, Digital Banking, Checking, Savings, Loans, CDs & IRAs, Personal, and Business. At the bottom, the footer contains contact information, company details, support links, and legal notices. A black arrow points from the 'Sign in' link in the text above to the 'Sign in' link on the website screenshot.
